Re: Sand Point Magnuson Park

Dear Mr. Bounds:

I am writing to acknowledge your letter of November 25, 2003 regarding the redevelopment of Sand Point Magnuson Park and to reconfirm the Washington National Guard's commitment to provide support. I greatly appreciate your efforts in working with my staff in looking at the feasibility of the Washington Military Department's participation in this project. I encourage you to continue your work with our Innovative Readiness Training Coordinator, Captain Mary Loos, to develop a project plan and budget for submission to the National Guard Bureau for approval by the Department of Defense.

Please note that the loss of key Army and Air National Guard units to the Global War on Terror may limit the availability of our key engineering units' soldiers, airmen and equipment. Once your project proposal is completed and received by my Department, we will do our best to provide the requested support with our available resources.

Sincerely,

  
James E. Kelly  
Colonel  
Chief of Staff
